Enjoy your Steak at ASH!

US BEEF STEAK

SERVING WITH IRON PLATE

There are two ways to eat at Aloha Steak House.
One is "On-the-Rice" putting a piece of your steak on the bed of white rice.
Another one is "On-the-Salad" putting a piece of your steak on a Fresh garden Salad.
Our Maui sweet onion sauce goes well both ways.
Please enjoy the deliciousness of US beef and matching of our special Maui onion sauce.
